

Phoenix Triathlon (Guildford)

Anti-Doping Policy

Phoenix Triathlon (Guildford) “the Club” is committed to fair and drug-free training and competitive participation. As a local and friendly club, we do not encourage, condone or accept the use of doping.

All Club members have the right to compete in doping-free sport (Clean Sport). The Club adopts the UK Anti-Doping (UKAD) and World Anti-Doping Agency (WADA) position that cheating, including doping, in sport is fundamentally contrary to the spirit of sport, undermining the otherwise positive impact of sport on society.

Clean Sport Commitment

To this end the Club commits to support Clean Sport in the UK in the following ways:

- The Club supports the mission of UKAD and WADA in achieving Clean Sport.
- All athletes are expected to train and compete in line with the spirit of sport, including the Anti-Doping Rules.
- All coaches, athletes and support personnel are expected to perform their role in line with the spirit of sport, including the Anti-Doping Rules.
- The Club is committed to supporting the prevention of doping behaviour in the UK in collaboration with other sporting bodies.
- Club members, coaches and supporting personnel will not condone, assist or in any way support the use of prohibited substances and methods (unless permitted by a Therapeutic Use Exemption) in any aspects of their work.
- Breaches of this, or any rules/policies referred to in the Club’s Constitution, will be acted upon accordingly.
- Club members found to have been contravening Anti-Doping rules will be subject to the provision of expulsion from the Club, as defined within the Club Constitution.
- All Club members and associated coaches or helpers will be expected to contact UKAD should they become aware of any athlete using or considering the usage of a prohibited substance or prohibited method. This contact should be done in confidence on the dedicated confidential Report Doping in Sport line.
